

## Special Car for Fort Worth Police Full Color Vehicle Design and Wrap

Vinyl Reflective Lettering & Full Color Interchangeable Graphics

### Project Overview:

The City of Fort Worth was looking to mock up their Dodge Challenger with eye-catching graphics. They wanted the whole side to be wrapped with a US blue line flag waving with the shadow of the Fort Worth logo. They also requested to have the national law enforcement officers memorial fund logo and a photo as a background on the trunk.

### Challenge:

INPS was tasked to create custom artwork.

### Solution:

A Chrysler Dodgec 333 template was provided for the mock up. Our Graphic Design team was put to work sourcing images. Once the artwork was approved a small sample was printed to send to the customer for art approval.

**Project Details: Location:** Fort Worth, Texas

### Scope of Project:

- Graphic Design
- Digital Printing
- Installation

Your single source fleet solution.
