

Manitoulin Transport

Transport Truck Graphics

Project Overview:

INPS Graphics manufactures Fleet Graphics for Manitoulin Transport. Graphics include: Logos, Trailer Stripes, Unit Numbers, Reflective Logos, Cab Door Graphics, Rear Door Decals, Trailer Decals.

Challenge:

There are many different types of trucks. The trucks differ in size, door type and refrigeration option. Each truck type requires different signage and decals.

Solution:

INPS Graphics reviews inventory each time an order is issued. Decal kits are created depending on the truck type. INPS stocks on a regular basis 10 kits per truck type.
